

WELCOME TO SERENDIPITY CHIROPRACTIC

This sheet explains our new patient procedures. Please read this sheet now so you will know what to expect during your first 2 visits. Thank you and we look forward to sharing Chiropractic with you!

First Visit: Consultation and Exam

- Today's visit will take 1-2 hours
- Personal consultation regarding your health concerns
- Complete biomechanical exam to determine if Chiropractic care is appropriate
- X-Rays may be recommended upon exam findings
- Comprehensive health history to fully understand your current condition as well as to discover hidden events that may have cumulatively impacted your health
- All fees will be discussed with you in advance. Payment for today's services are due at the end of the appointment
- Your next appointment will be scheduled
- Painful conditions will be addressed on the first visit (may or may not include an adjustment)

Second Visit: Report of Findings and Treatment Plan

- This visit will take 1 hour
- A specific description of the condition of your spine and nervous system and how these findings impact your current and future health
- If subluxation is confirmed, your first adjustment will be recommended on this visit
- You will receive a report detailing the solutions available to maximally correct your problem
- A financial decision regarding your care will need to be made at this time
- You may bring your spouse/significant other to this visit. It is often helpful if your spouse/significant other sees and understands this information so they are able to support you through this process. (a work excuse can be provided).

Appointment Cancellation Policy

- Please understand that an appointment commits the physician's time to you and unless 24 hours advanced notice is given, you will be financially responsible for canceled or missed appointments.
